## Newsletter Number Three

# Happy 1st Birthday to Cloud Nine!

Yes, it's celebration time at Cloud Nine and we *very happily* announce our First Birthday. It has gone so fast and we have had a fabulous start to our new business. And, may we add, it has been beyond our wildest dreams. We eagerly await the developments on Chalet Number 2 and also being able to say "yes we ARE vacant that night"- instead of "sorry-but we're booked out". Of course, it's all thanks to the many people who have stayed here, and for the many reasons they have chosen to stay with us. Here's to another great year, and we look forward to stage 2 of our dream!

Being our birthday, we didn't want to let it go by without offering everybody who receives our Newsletter a little birthday something. We are giving away 2 nights for 2 guests in our Spa Chalet, including a the essential bottle of bubbly. Just fill in the details below and mail, fax or email these details to us. We will draw the prize on the 30th of August and let you know that night if you are the lucky Winner!

Chalet Number 2 is finally in construction as we speak. We had a slight hold up due to changing the location of the Chalet. We moved it due to feedback from you, our guests, who name the Number One best thing about Cloud Nine is the privacy. Consequently, it led us to reassess our location plans and, thanks to your feedback, we have now moved it to the very back of the property, with complete privacy from Chalet Number One. We believe we are looking at January or February before the second Chalet will be open, and we look forward to your entries for our "Name the Chalet" competition around that time. Don't worry- we will keep you up to date. Cheers! Stan & Shelley, Ann & John.

### What's new at Cloud Nine??

Our collection of animals keeps growing- the Cloud Nine gang are very knowledgeable in raising lambs now! Our second little Lamb "Mint Sauce" is the latest addition- he is very sweet and loves a pat. Lamb Chop (lamb number one) is a big boy now and has joined the other creatures in the cow paddock.

Thanks to Jingalla Winery's 25th Jubilee celebration all our guests are now popping a bottle of Jingalla's specially made "Bubbles" on arrival. Cheers!
