### Important Deposit Information

Please read the following information regarding deposits for your Cloud Nine experience.

We regret that due to some people not honouring their bookings, we have to now request the following regarding deposits.

Deposits are to be received by us NO LATER than seven days from the time of making a booking with us. (10 days if receiving information via "snail mail!")

If we do not receive a deposit within SEVEN days of making your booking, we will AUTOMATICALLY release your booking back onto our vacancies list.

If you are having trouble paying your deposit, please contact us and discuss with us before the seven days are up. Deposit amounts and methods of payment are in your Booking Letter.

Please remember that most accommodation places expect a deposit at the time of booking, and do not take a booking without it. As we are extending this to a seven-day period, we feel that is plenty of time to pay a deposit in. Thank you for understanding- Stan and Shelley
